

Switch drivers (in industry standard form factors and interfacing):  
Solar Inverters, Wind Turbines, Motor Controllers, Smart Grid,  
HEV/EV Traction, UPS

Toroidal power transformers and products: including off the shelf  
products and custom designed toroidal products, designed for any  
application where a transformer is needed.

Heat Sink Compounds (Non-Silicone) – Micro-Faze (Thermal  
Grease Pads) – Sure-Foam (Gap Filler Material)

Custom products – DC Filter-AC Filter – Snubbers – Traditional Film

Braid and Fiber Solutions: Ben-Har, Suflex, Motor On, lacing tape,  
surge rope, tie cords and braided flat tapes – Abrasion Resistance:  
Monofilament, Multi-filament – Thermal Protection: Thermal Glass  
Sleeving and Ceramic – Electrical Insulation: E-glass

High Frequency Magnetics and Assemblies – transformers,  
inductors, filters and related assemblies

Printed Circuit Board Shunts and Adjustable Shunts – Telecom  
Fused Disconnect – Knife Switches – DC Ammeter Shunts – Bus  
Bar-Shunts – Base mounted Shunts – Shunts without base

Certifications:  
AS9100 REV C &  
ISO 9001:2008

**"We are a Value Added Distributor"**

Heat shrinkable Tubing – Teflon – PTFE tubing – High heat and abrasion resistant wire – Silicone tubing – Power cable accessories (heat shrinkable, cold shrinkable and pre-molded for low, medium and high voltage) – Termination Kits – Bus Bar – Insulation – Sleeves for telecommunication cables and pipeline.

European Hook-up & Airframe Wiring – CF, DM, DR Series: Hook-up & Airframe Wiring – AD Series: Airframe Wiring Very Light Weight – Flight Test & Special Cables – JN Series: Hook-up and Airframe wires – MIL Series: Airframe Wiring – ET-E-EE Series: Nema HP3 Wires – Data Transmission: Coaxial Cables, Quad Ethernet Inflight Light Weight, Twinax Bus – F A3901, F A3903 Series: Space wires – AS 22759/180-/192 on QPL

Convoluted Tubing: Automotive, Telecommunications, Appliance, Swimming Pool, Medical, Marine, Electrical Conduit and Fittings, Robotics Cable Protection Systems, Mass Transit – Electrical Conduit and Fittings: Wire Conduit, Waterproof Wire Conduit, Cuffed Hose, High-Heat Conduit – Electrical Application Products – Custom Specialty Tubing

Deutsch Military Connectors: ACT Series Normes MIL-DTL 38999 Series III Composite – Cylindrical, High Density Bayonet Coupling – DTS-HC High Current Circular Connectors – DTS Series MIL-DTL 38999 Aluminum – Military Contacts and Pins – DTS-K / DTS-S – AFD Connectors – MIL C 81511 S III-IV – MIL-DTL 38999 S IV – DJT Series Connectors – Hermetic Circular Connector

Nameplates – Overlays – Decals – Labels – Membrane Switches – Insulators – Gaskets – Doming – Screen Printing – Digital Printing – Flexographic Printing – In-Mold Decorating

Federal-Mogul Systems Protection Group, maker of Bentley-Harris protection products, provides innovative cable management and protective solutions that have been approved worldwide for Aerospace, Defense and Commercial applications. Abrasion & Damage Protection – Heat Generation & Absorption – Electromagnetic Shielding – Acoustic Noise Generation & Propagation – Comparison Test Analysis – Materials Engineering.

Certifications:  
AS9100 REV C &  
ISO 9001:2008

**Power Devices (IGBT) – Power MOSFETS – Power Supply Control IC – Rectifier Diodes**

**Current and Voltage Transducers:** LEM Automotive specializes in developing and manufacturing current transducers for battery management and motor drive applications in cars, busses and trucks.

**AC/DC Power Supplies:** Wall, Desktop, Board Mount, Open Frames, and DIN Rail – **DC/DC - AC/DC Converters:** SIP, DIP, SMD, and Chassis mount – **Power Cords and Other Products:** Domestic and International, Hospital Grade (fully molded, available with medical approvals), Added Value, Networking & Cable & Harnesses, AC Inlets & Outlets, Cord Sets, Power Cords & Power Strips

**PCBs**

**Robotic Cable Protection Products:** Dressout Components, Robotic Conduit Materials, Clamp Selection, Service Loop Retractor System, Rotary Flange & Conduit Protectors, Mid Arm Support & Termination Options, Pre Engineered Solutions

**Fuses for Semiconductor Protection:** North American and European Standard, Knife Blade Contact (German Standard) – **Dc-Application / Traction Fuse – Miniature Fuses:** G & D Fuses – **Medium Voltage Fuses:** for Capacitors, European Standard (British & French) – **High Voltage Fuses:** German DIN Standard, Motor Circuit Protection (Din and British Standard) – **Low Voltage Fuses:** European NH Knife-Blade Fuse System – **World Leader in PV Fusing**

**Sleeving – Electrical Insulation – Termination and Bundling – Lacing Tape**

Certifications:  
AS9100 REV C &  
ISO 9001:2008
