

## Material Safety Data Sheet (ISO 11014 (1994))

<b>1.1 Product name :</b>	<b>Expando® HTNS-L HO</b>
<b>1.2 Supplier :</b>	Federal-Mogul Systems Protection S.A.S. 69, rue Henri Laroche B.P. 70216 F-60802 CREPY-EN-VALOIS Cedex  Tel. : (+33) (0) 3 44 94 48 48 Fax : (+33) (0) 3 44 87 63 67
<b>2 Composition :</b>	Braid made of Nomex® (Poly-(meta-phenylene isophthalamide), impregnated with a fluorocarbon resin.
<b>3 Hazards :</b>	None known.
<b>4 First-aid measures :</b>	<p>After inhalation of product dust : Exposed person should breath fresh air ; if respiratory problems persist contact a physician.</p> <p>Skin contact : Cleaning with water and soap.</p> <p>Eye contact : Flush eyes with open lid under running water.</p> <p>Ingestion : Contact physician.</p>
<b>5 Fire-fighting measures :</b>	Extinguishing media : water, foam, dry chemical, carbon dioxide.
<b>6 Accidental release measures :</b>	No particular measures are to be taken.
<b>7 Handling and storage :</b>	No particular measures are to be taken.
<b>8 Exposure controls / personal protection :</b>	No particular measures are to be taken.
<b>9 Physical and chemical properties :</b>	<p>Physical state : solid</p> <p>Colour : camouflage-green</p> <p>Melting point : The product does not melt.</p> <p>Decomposition temperature : &gt; 300°C</p> <p>Flash point : The product is inherently flame resistant, but it will burn if an ignition source is maintained.</p>
<b>10 Stability and reactivity :</b>	No particular directions need to be observed.
<b>11 Toxicological information :</b>	The product is not toxic. As a precaution, inhaling of product dust should be avoided.
<b>12 Ecological information :</b>	The product does not pose any ecological danger.
<b>13 Disposal considerations :</b>	The product can be disposed off with household garbage.
<b>14 Transport information :</b>	No particular directions need to be observed.
<b>15 Regulatory information :</b>	No particular directions need to be observed.
<b>16 Other information :</b>	None.

The information given above is taken from sources believed to be accurate as of the date of this revision.
